Department of Labor - Employment and Training Administration Grant Funded Programs - ETA's Training and Employment Guidance Letter (TEGL) No. 10-09 (issued November 10, 2009).

The Jobs for Veterans Act (Public Law 107-288) requires grantees to provide priority of service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by the Department of Labor.

In circumstances where Schoolcraft College must choose between two equally qualified candidates for training (who also meet all program eligibility requirements), one of whom is a veteran or eligible spouse, admittance priority will go to the veteran or eligible spouse providing all other program requirements are met.
