

SCHOOLCRAFT COLLEGE
18600 Haggerty Road, Livonia, Michigan 48152-2696

MAINTENANCE OF ACADEMIC PROGRESS

It is the policy of Schoolcraft College to encourage the success of its students. After completing 15 semester hours, students whose cumulative grade point average falls below 2.0 are placed on academic probation. Students on academic probation, who fail to earn a 2.0 after completing 30 semester hours are academically dismissed from the College.

These measures are designed to intercede rather than be punitive with regard to a student's academic success.

Students receiving financial aid may have other restrictions specified by the aid agencies. Procedures for appealing such decisions are described in the College's catalog.
