TUITION AND FEES—PAYMENTS

Tuition and fees either are paid in full at the time of registration or paid via the approved deferred payment system. Tuition and fees listed in the registration guide are subject to change.

A fee will be assessed to those students whose checks are returned for any reason. If a cash payment or a certified check is not presented to the Cashier's Office following the return of a check, the student may be removed from the class(es) for nonpayment.

Exceptions to the above procedures, caused by extenuating circumstances, will be addressed on an individual basis by the Director of Registration Services or another appropriate Student Services staff member.
