

**SCHOOLCRAFT COLLEGE**  
18600 Haggerty Road, Livonia, Michigan 48152-2696

**SENIOR ADULT SERVICES**

The Board of Trustees recognizes the need for broad community participation and interaction with the many community college programs and services. Further, it is recognized that the older adults need special encouragement and assistance toward fuller participation in many meaningful programs available through the College.

Pursuant to Public Act 5 of 1980, the Board of Trustees authorizes reduced tuition for all students 60 years of age or older who meet the admission requirements to the College.
