USE OF COPYRIGHTED MATERIALS

It is the intent of the Board to abide by the provisions of copyright laws, *Section 107 of the Copyright Act*, as they affect Schoolcraft College, its employees, and independent contractors.

Copyrighted works will not be used or duplicated unless such use or duplication meets “fair use” standards or written permission from the copyright holder has been received. Individuals who violate this policy assume responsibility for any copyright infringement. Employees who violate this policy are also subject to Schoolcraft College disciplinary procedures.
