CONFLICT OF INTEREST

No employee shall be a party to or have substantial interest, financial or otherwise, whether directly or indirectly, in any contract (excluding his/her employment agreement) with the College where the employee is involved with the decision to purchase such services or products.

No employee shall place himself/herself in positions or situations, or otherwise incur an obligation of any nature, which shall preclude him/her from performing his/her duties and responsibilities in the best interests of the College.

It shall be the strict obligation of all employees of the College to disclose to the President through his/her immediate supervisor, and the President to the Board of Trustees, any personal interests or involvement which may be the subject matter of a potential conflict of interest under the terms of this policy.
