COLLEGE BOOKSTORE

The College Bookstore is established as a business enterprise to sell books, technology, and general merchandise for the use of students and staff at the lowest possible prices consistent with good business practices, looking toward self-sustainability. This includes all physical and e-commerce locations. All costs for supplies, equipment, services, utilities, and wages, etc., will be paid out of the gross sales. Any net profit at the close of the year will be held for disposal by the Board of Trustees upon recommendation of the administration.
