Employment Services

Schoolcraft College uses **College Central Network** as its official online job board. The Schoolcraft College Central Network is available to students, alumni and members of the community.

Employer job postings on College Central are regularly forwarded to relevant groups of faculty and staff to share with students.

www.collegecentral.com/schoolcraft

Social Media Exposure

In addition to sharing job postings with Schoolcraft College faculty, the Career Services office is happy to promote job opportunities and hiring events on social media. Employers are welcome to email hiring event flyers to careerservices@schoolcraft.edu for social media exposure. Career Services can also pull employer job postings from College Central to share via Facebook, Twitter and LinkedIn.

For more information, contact the Career Services Office at 734-462-4421 or careerservices@schoolcraft.edu.

Recruiting at Schoolcraft

Online Job Board

The Schoolcraft College Central Network is a FREE online job board used by students, alumni & members of the surrounding community. Register & post job opportunities at: www.collegecentral.com/schoolcraft

Occupational Programs Internships & Apprenticeships

Employers can partner with Occupational Programs staff to fill talent needs and connect with students & faculty in manufacturing and technical disciplines. The Apprenticeship Coordinator can strengthen the talent pipeline with highly skilled employees by helping employers establish a registered apprenticeship.

On Campus Recruiting Tables

Connect with students directly! Career Services can secure a campus recruiting table in the VisTaTech Center on a Monday, Tuesday, Wednesday or Thursday during the Fall and Winter semesters.

Job Fairs

Schoolcraft College holds large-scale job fairs in the Spring and Fall each year. These popular events attract metro Detroit job seekers at every professional level. Contact Career Services for more information: careerservices@schoolcraft.edu.
