

# NEW WIFI ALERT!

The new **EDUROAM** WiFi Network is to be used by students and staff to provide secure internet access at Schoolcraft College.

## How do I connect?

1. Select **EDUROAM** under your Wi-Fi Networks
2. Login using either your Schoolcraft College ID (ex: a0123456) or Blackboard ID.
3. Trust the connection.

- **Android** and **ChromeOS:**  
Make sure your EAP Method is set to "PEAP."  
Select "Do not Validate" under CA certificate drop down.
- **iPhone:** Select "TRUST."
- **Windows:** Select "CONNECT."
- **MacBook:**  
On the Verify certificate page press "CONTINUE."  
Confirm that you want to change your Certificate Trust Settings.

***You are now connected!***

If you experience difficulty connecting to the Wi-Fi network, call the **Answer Center** at **734-462-4426** and press **4**.
