<b>Major Area of Study</b>	Minimum 10 credit hours in liberal arts or occupational courses that satisfy transfer and academic goals and requirements. <b>ENGR 201</b> recommended
<b>General Electives</b>	<b>ENGR 202</b> recommended <b>ENGR 203</b> recommended
<b>Course Level</b>	All courses that apply to this degree must be at the 100- through 400-level with a minimum grade point average (GPA) of 2.0.
<b>Credit Requirement</b>	Minimum 60 credit hours.
<b>Institutional Requirements</b>	<p>Completion of all Schoolcraft College Core Abilities and a minimum of 16 credit hours associate-level Schoolcraft College General Education requirements in English, humanities, mathematics, natural sciences and social sciences.</p> <p>The Michigan Transfer Agreement (MTA) may be used to fulfill the Schoolcraft College General Education requirements.</p> <p><u>PLEASE NOTE:</u> Students may not use the same History course to satisfy both the humanities and social sciences distribution area. Additionally, students may not use <b>COMA 103M+*</b> to satisfy both the humanities and English communications distribution area.</p> <p>Only certain Geography courses can be used for a natural science or social science course.</p> <p>There are three (3) types of courses that may be used toward fulfilling associate degrees at Schoolcraft College: liberal arts, applied liberal arts, and occupational. Applied liberal arts or occupational courses may not account for more than 15 credits in an AE degree. While the applied liberal arts courses provide immediate skill building opportunities, their transferability and value should be discussed with an academic advisor. Most transferable courses may be found in the Schoolcraft College MTA requirements.</p>
<b>Types of Courses</b>	<p>There are two primary types of courses that may be used towards fulfilling credentials<sup>c</sup> such as certificate, associate, or bachelor degrees at Schoolcraft College (SC). The nature, goals, and use of each course determines the type of course and how it applies toward each credential at Schoolcraft College or at other transfer institutions. The two types of courses include occupational and liberal arts courses.</p> <ol style="list-style-type: none"> <li>1. Occupational Courses – Occupational courses have a direct career relationship and focus on developing necessary knowledge and skills to enter the work force within the chosen field of study-e.g., <b>ACCT 103, EMT 115, MFG 211, WELD 120</b>. Courses may or may not transfer to another institution and are written in bold font. No SC occupational course may be used toward SC General Education (SCGE) or to meet the requirements for Michigan Transfer Agreement (MTA)<sup>^T</sup>.</li> <li>2. Liberal Arts Courses – Liberal Arts courses provide general knowledge and theory in the arts, language and communication, humanities, natural sciences, math and social sciences areas. Liberal Arts courses may fall into three categories:             <ol style="list-style-type: none"> <li>a. Applied Liberal Arts – courses that are focused on building particular skills through the practice and application of talents or concepts-e.g., <i>ART 248, ENG 205, CAB 100, THEA 204, MUSIC 114, COLLS 105</i>. Applied Liberal Arts courses typically do not transfer to other institutions and are written in italicized font. A subset of these courses may be used toward meeting the requirements for SCGE.</li> <li>b. Liberal Arts used for Schoolcraft College General Education (SCGE) – courses that are theory-based or application-based which offer a wide distribution of experiences to students across multiple disciplines-e.g., ENG 100, PSYCH 153M, HIST 138M+, MATH 106. These courses may or may not transfer to another institution. The Liberal Arts courses that do not transfer are typically applied in nature and are written in plain text-e.g., MATH 106.
